Murray Irrigation

Due date for second quarter accounts now 5.00pm, Friday 1 March 2013

Customers are advised that the due date for Murray Irrigation's second quarter account has been delayed by one week.

To be eligible for the 10 percent discount on the second quarter accounts, all accounts must be paid before 5.00pm on Friday 1 March 2013.

Customers paying their account via electronic funds transfer are reminded to allow up to three business days for the transaction to be completed by their financial institution.

Murray Irrigation has delayed this account's due date to align with customers' cash flow, with the rice crop payments due before this deadline.
