Murray Irrigation

Murray Irrigation technical outage experienced on Thursday 28 November

Murray Irrigation experienced an IT system outage yesterday. This outage impacted on the operation of the Water Exchange and also the Water ordering system.

Any customers who made changes to orders between **6.00pm and 6.20pm yesterday, Thursday 28 November**, should check their order is correct in the Water ordering system at either of: water.murrayirrigation.com.au; or click the *Water ordering* blue tab on our website www.murrayirrigation.com.au; or via the Water ordering line T. 1300 781 431.

If your order is not correct or missing please make the change required.

If you have any questions please contact Murray Irrigation via reception on T. 1300 138 265.

No Exchange transactions were affected during the above time.

Murray Irrigation apologises for any inconvenience this outage may have caused.
