

Allocation update

Monday 3 November 2014

Murray Irrigation

The NSW Office of Water today announced no increase in the NSW Murray general security announced allocation.

As a result, Murray Irrigation's announced allocation remains at 39 percent for general security (Class C) entitlement customers.

The Office of Water confirmed trade out of the Murrumbidgee valley remains closed.

Trade across the Barmah Choke is also restricted with trade downstream only allowed to the extent of trade upstream.

Trade to and from the Lower Darling remains closed due to storage levels in the Menindee Lakes.

The next water allocation announcement by the NSW Office of Water will be made on Monday 17 November 2014.

A copy of the Office of Water announcement is available in the 'Water Resources Updates' section of the Murray Irrigation website: www.murrayirrigation.com.au.
