## **Murray Irrigation Board of Directors appoint new Chief Executive Officer**

On behalf of the Board of Directors, I am pleased to announce the appointment of Mr Michael Renehan as Chief Executive Officer.

Michael has over 15 years' experience in CEO and General Management roles within service, supply chain, engineering and manufacturing organisations within Australia and overseas. Michael holds a Master of Business Administration from Deakin University and a Masters in Chemical Engineering from RMIT University and is a member of the Australian Institute of Company Directors.

Most recently Michael was CEO of CR Energy Limited, and has worked with a number of blue-chip organisations including ICI, Rohm and Haas, TOTAL and Coffey International. His recent technical experience has been in geotechnical engineering, civil construction projects and environmental engineering.

The company is looking forward to the strategic leadership experience Michael will bring to the organisation along with change management expertise and the ability to build strong relationships with Murray Irrigation staff, shareholders, customers, government and other stakeholders.

Michael's family originally came from the Deniliquin region where his grandparents had a farm on the Yallakool Creek.

Michael will commence with Murray Irrigation on Monday 22 June 2015.

The Board is looking forward to working with Michael and introducing him to the organisation. Over the coming weeks our shareholders and other key stakeholders will have the opportunity to meet with Michael.
