Murray Irrigation

## CEO breakfast for customers

Customers are reminded that the first of three 'meet and greet' breakfasts will be held at the Deniliquin office next Tuesday 11 August from 7.30am.

I am hosting breakfasts at each of the Murray Irrigation offices over the next three weeks to meet with customers and take the opportunity to hear their views on the Company and our service delivery. These breakfasts are part of a range of meetings with customers that I am undertaking during the month.

The feedback that I receive from customers will be crucial to formulating the Company's new strategic plan which I will be working to finalise for presentation to customers at the Company Annual General Meeting in November.

I encourage customers to take advantage of this opportunity by attending a breakfast at their closest office where bacon and egg rolls, tea and coffee will be provided.

The dates for the breakfasts are:

- Deniliquin, 443 Charlotte Street, Tuesday 11 August 7.30am-9.00am.
- Wakool, Dampier Street, Tuesday 18 August 7.30am-9.00am.
- Finley, Murray Hut Drive, Tuesday 25 August, 7.30am-9.00am.

I look forward to meeting many of you at these breakfasts.

## Murray Irrigation office closure

Murray Irrigation's Deniliquin office will be closed from midday tomorrow, Friday 7 August and the Finley and Wakool offices will close from 11.00am.

The office closure is due to the annual Murray Irrigation all staff function which is held before the irrigation season commences in earnest. All offices will reopen at 8.30am on Monday 10 August. Murray Irrigation apologises for any inconvenience.
