

Special Talking Water

Wednesday 9 December 2015

Murray Irrigation

Murray Irrigation offices closed this Friday afternoon

Customers are advised that all Murray Irrigation offices will be closed this Friday 11 December for a company restructure update for all staff.

Our Finley and Wakool offices will close at 12.30pm, with the Deniliquin head office to close its doors at approximately 1.15pm.

I will be providing an update to all staff on the company's restructure. Staff from our respective offices will all be in Deniliquin that afternoon.

Murray Irrigation apologises for any inconvenience this may cause. Water deliveries will be uninterrupted during this time and our Water Exchange internet services will remain open.

Arrangements for our upcoming Christmas-New Year office closures will be sent to customers via a special *Talking Water* next week.

Michael Renehan
CEO
