Murray Irrigation

## Customer meetings next week

Murray Irrigation has moved its Wakool customer meeting to avoid clashing with another important event on the same day.

Murray Irrigation's Wakool customer meeting will now be held on **Thursday 30 August** from 9.00am to 11.00am, at the Wakool & District Services Memorial Club.

Rice Research Australia Pty Ltd (RRAPL) is holding a direct drilled rice field day at 'Old Coree' near Jerilderie on Tuesday 28 August, commencing at 9.00am. The shift of Murray Irrigation's Wakool customer meeting avoids an unnecessary clash with this important event.

Additional Murray Irrigation customer meetings will also be held next week at the following times and venues:

- Deniliquin RSL Club, Wednesday 29 August, 9.00am to 11.00am.
- Finley RS Club, Friday 31 August, 11.00am to 1.00pm.

Topics to be discussed at the meetings include:

- The roll out of PIIOP; what, where and when?
- Issues for the current irrigation season, including delivery entitlements, the casual usage fee, and accessing better information from our website; and
- Murray-Darling Basin Plan update.

All customers are encouraged to attend.

For more information, call reception on T. 03 5898 3300.
